**October 4, 2011 Board of Education Work Session****10/4/2011 4:00:00 PM**

JP Knapp Professional Learning Center Meeting Room

2966 Caratoke Highway  
Currituck, NC 27929

---

No Attendees**A. Startups****B. Automotive Facility Expansion**

The expansion of the CCHS automotive program was discussed- including costs and funding.

**C. School Improvement Plans**

SIP's for CES, GES, and SES were presented. Full details can be found on the district's eBoard link.

**D. Temperature Settings in the Schools**

The Board and administration discussed the temperature settings in the schools. The settings are in place in an effort to save money on the system's utility bills. There have been complaints that the classrooms are too warm.

**E. Information Items****F. Closed Session- Personnel Discussion- Reason 1 & 6 of G.S. 143-318.11**
